Waverly, Virginia 23891-2222

Offender #1032651 Frank Anderson,

I am in receipt of your correspondence dated 02/03/2020. During a review of your complaints, information provided does not exalted the institutional level process of the Grievance Procedure. No documents were included with your correspondence; which is needed to determine the next course of action.

The grievance process is a structure method to follow in addressing your complaint. You are encourage to follow the steps in the procedure to complete your grievance. Any step omitted will delay your issue (s) from being resolved in a timely manner. Dear F. Anderson:

Although your concerns are appreciated and noted, there was no evidence enclosed to support the proper utilization of the *Offender Grievance Procedure (OP 866.1)*. Please note the below information which you can use as guidance when attempting to have your issues addressed via the grievance procedure.

Before a grievance issue can be reviewed outside the institutional level, an exhaustion of that level must be demonstrated which begins with the submission of an informal complaint. If the staff fails to respond, you can still choose to submit your regular grievance to the Institutional Ombudsman by attaching the complaint form and/or receipt with the grievance. If staff determines that your ***grievance*** does not meet the intake criteria, you can ***then*** forward the package to this office for appeal review. If no receipt was issued to you within two working days, then you are advised to speak with your Unit Manager either in person or via request form so that he/she can inquire into the status of your document(s). Please utilize the procedure designed to investigate and bring resolution to grievable matters. With only a few exceptions, remember grievances must be filed within thirty days from date of occurrence of the alleged incident.

If you have questions regarding filing procedure, you may direct them to the Grievance staff at your facility and/or refer to OP 866.1.

Sincerely

Mr. Anderson,

RECEIVED

Ombudsman Unit

This office has received numerous forms (requests, informal complaints, regular grievances, and emergency grievances) from you. All of the forms have writing all over the page, not just on the designated lines. All of the forms also have multiple issues covering the whole page. We are aware that you arrived at SXII on 8/28/2019. We are aware that you have requested to see the warden, the institutional attorney, and <sup>needs to</sup> attend the law library. You were seen by the institutional attorney in January. You see the warden regularly <sup>Another Lie</sup> when she makes rounds in the buildings. You have been scheduled for the law library. In order to be scheduled for the law library for more time you must send a new request each time to <sup>I did - no one told me this -</sup> AMA Spencer. If you would like to see the <sup>Lie - Never seen the I, A -</sup> institutional attorney again, please send a separate request to me. Additionally, when writing requests for things, please attempt to only write in the designated area as writing all over the page makes the request not only hard to read but hard to answer as well.

Thank You,

M. Vandermark

Dear Frank Anderson,

This letter is in response to your written inquiry where you have outlined several concerns. You question why you were transferred to Green Rock Correctional Center (GROC). You say you never had your last four hearings at Deerfield Correctional Center. You state GROC will not give you the paperwork. You ask for your level. You request your lawyer's number.

In regards to your housing assignment, transfer recommendations are to be initiated by the institutional staff. Once CCS receives the recommendation it will be processed accordingly. If you are not satisfied with your housing assignment, please consult with your assigned counselor to discuss your transfer options.

Please note the concerns regarding your hearings have been shared with the appropriate staff for review. You may discuss your classification concerns with your assigned counselor. If you are not satisfied with the response, you may submit an Informal Complaint to initiate the grievance process.

In regards to your lawyer's phone number, please be advised that the Department of Corrections cannot assist you with your inquiry. You may find it opportune to consult with the institutional lawyer if one is available at your facility.

Sincerely,
